ADJUSTMENT TO SUPERVISION: Ms. Green's overall level of compliance has vacillated between acceptable to poor compliance. Ms. Green has been employed full-time since September 2021 and resides with her parent in Fredericksburg, Virginia. Her 5-day term of home confinement was completed on July 1, 2021. All Court-ordered financial obligations were satisfied on July 2, 2021.

On July 23, 2021, Ms. Green received a substance abuse treatment assessment and a recommendation was made that she completes 24 weeks of outpatient group treatment and weekly individual treatment counseling.

On December 27, 2021, the Court reviewed a Violation Report requesting no formal Court action related to violations committed by Ms. Green. Her treatment sessions were extended to further assist in her rehabilitation. At the time of her April 26, 2022, arrest detailed below, Ms. Green had completed outpatient treatment and had one remaining individual session. Due to her new alleged violation conduct, Ms. Green's treatment sessions have once again been extended pending resolution of the outstanding charges.

Despite having a stable residence and being able to obtain gainful employment, Ms. Green has been either unwilling or unable to fully adopt a sober lifestyle. This is her second interaction with law enforcement while under supervision for alcohol-related behavior. Ms. Green was not forthcoming regarding her arrest by 1) not immediately contacting this officer after her release from jail, and 2) not disclosing her arrest when questioned by her probation officer on April 28, 2022.

Further, on May 2, 2022, Ms. Green's employment was terminated at the Sleep Inn Motel due to the nature and circumstances of her arrest.
